

She's A Runaway

BoDeans

You know Mary was a woman fine
She was living with a hard guy
Mary got beat up
One too many times

She's a runaway
She's a runaway

Mary stole some money
And she got herself a gun
Then she shot her man down
Now she's on the run

She's a runaway
She's a runaway

Well, she ain't lookin' back anymore
She said, "Catch me if you can anymore"

You know she didn't wanna do it
But he just pushed her too far
Everybody got a breakin' point
And baby, there you are

She's a runaway
Run, run, runaway

She's a runaway
Run, run, runaway

Well, she ain't lookin' back anymore
She said, "Catch me if you can anymore"

Well, that's the story
Of Mary and the gun
You know, she's a lot tougher now
She's livin' on the run

She's a runaway
She's a runaway
Run, run, runaway
She's a runaway
