

## Solid Ground

### Bombshell Rocks

I do my best to stand up straight,  
keep my feet on solid ground.  
All i need is my loyal, my loyal companions  
six strings and the explosive sound.

I'm a sucker for the kicks,  
I've got a thirst for the thrills.  
A pulse pounding addict is what I am,  
with an addiction to still.

Young at heart,  
the way i wanna stay as time pass me by.  
Day by day, i live to stay free.  
Makes me feel alright and tomorrow.  
Tomorrow don't exist to me.
