G D/F# F C

G D/F#
Looking at the pages of my life

F
Faded memories of me and you

C
Mistakes you know I've made a few

G D/F#
I took some shots and fell from time to time

F
Baby, you were there to pull me through

C Emi
We've been around the block a time or two

C D
I'm gonna lay it on the line

Hmi Emi
Ask me how we've come this far

C D
The answer's written in my eyes

G Hmi
R: Every time I look at you, baby, I see something new

C Cmi
That takes me higher than before and makes me want you more

G Hmi Emi
I don't wanna sleep tonight, dreamin's just a waste of time

F D
When I look at what my life's been comin' to

C
I'm all about lovin' you

G D/F# F
I've lived, I've loved, I've lost, I've paid some dues, baby
We've been to hell and back again

C Emi
Through it all you're always my best friend

C D
For all the words I didn't say

Hmi Emi
and all the things I didn't do

C D
Tonight I'm gonna find a way

R: Every time I look at you...

Ami C/B C
You can take this world away

You're everything I am

Just read the lines upon my face
I'm all about lovin' you
