

Blackout

Bonnie Anderson

He's tatted on his back
I'm all about it
Knows how to make me sweat
He got it, got it
I'm 'bout to do it to you, you, you
Boy, what am I supposed to do?
Oh

You ignite it, can't fight it
Joy riding, we all-nighting
Knows how to make me sweat
He got it, got it
He got it, got it

Running with fire, danger
Got us on the edge of losing our power
Take me down
Better turn them lights out, out, out
Turn them out, out, out
Boy, I'll take it for myself
Right now, now, now
Right now, now, now
Right now, now, now, now, now

Can I get a blackout?

Show me your bag of tricks
Put it on me
You know I'll handle it
Like my body
Tonight I'm loving you, you, you, you, you
Tell me what I'm supposed to do
Oh

You ignite it, can't fight it
Joy riding, we all-nighting
Show me your bag of tricks
Put it on me, put it on me

Running with fire, danger
Got us on the edge of losing our power
Take me down
Better turn them lights out, out, out
Turn them out, out, out
Boy, I'll take it for myself
Right now, now, now
Right now, now, now
Right now, now, now, now, now

Can I get a blackout?

In a black haze, raw emotion
You're the only one in focus
In darkness we're floating, floating

Running with fire, danger
Got us on the edge of losing our power

Take me down
Better turn them lights out, out, out
Turn them out, out, out
(Turn them out)
Boy, I'll take it for myself
Right now, now, now
(Right now)
Right now, now, now
(Right now)
Right now, now, now, now, now
(Right now)

Can I get a blackout?
Yeah
