

Eyesdown

Bonobo

Hands up
I got my eyes facing down
I'll show you where my tears come down
Slowly down

Hands up
I got my eyes facing down
I shudder when my tears come down
So slow down
So slow down

Suddenly my tears come down
Slowly down

Hands up I got my eyes facing down
I'll show you where my tears come down
Slowly down
So slowly down

Hands up I got my eyes facing down
I 'll show you where my tears come down
Slowly down

Hands up I got my eyes facing down
I shudder when my tears come down
So slowly down
So slow down
