

Magic Trick

Borgore

Borgore, what's good?

I can get so high up in the sky, you need a parachute
Bet a 100 mil on the grind, bet I never lose
I just blew by 35 hundred on a pair of shoes
That I don't even like, I just bought them for tonight
I just called another flight, I just signed another check
Told my pilot take me to the money, gone in 60 seconds (poof)
Gone in thin air like a magic trick
Got that type of money make a stripper cut a backwards flip

Got that type of money

Make a stripper cut a backwards flip

I threw a yacht party somewhere of the Cayman Islands
I had a 100 bad bitches and a plate of salmon
Got this one chick in particular, she outstanding
But if she don't get no molly, she gon' throw a tantrum
At this Vegas pool party, you know I don't do no swimming
Unless you talking 'bout these women in that case I'm all up in
it
Took a week off in Las Vegas, I ain't doing shit but spending
I saw Draya at the Palm's, I'm like "damn the girl can get it"
