Borknagar

White petals  
Red lines  
Highest heaven  
Deepest mines  
Vertically green  
This is how it's seen

I never thought the world would come to this  
I never thought it would come to this

Sturdy feet and arid ground  
Dusty shoes and not a sound

Sturdy feet and arid ground  
Dusty shoes and not a sound

Soft, red glow  
Ever so slow  
Never  
Near  
the flaw
