

Yeahhhh

I got the beach in my toenails
From last night, oh what a night
All by myself ridin the rails
To Sunday light, oh what a light
Two bottles empty, I smash them open
And gave away all of my things
All of my savings, yeah come Wednesday
I'm gonna sing, I'm gonna sing

Six, Five Thousand call me there, call me there
Six, Five Thousand in the air, oh in the air
Six (six) Five (five) Thousand
I said why, I said why
Six (six) Five (five) Thousand
In the sky, in the sky

I'm ok, I hear you asking
I'm alright, I'm alright
All by myself, but I'm baskin'
In the light, oh in the light
Drawing pictures of my toenails
And gave away all of my things
I'm not savin' any bad days,
Let it rain, oh let it rain

Six, Five Thousand call me there, call me there
Six, Five Thousand in the air, oh in the air
Six (six) Five (five) Thousand
I said why, I said why
Six (six) Five (five) Thousand
In the sky, in the sky

I'll be hopin' that you're busy
Oh when I go, when I go
I'll quote Shakespeare, I'll quote Disney
In the show, oh in the show
I can see now where I'm wanted
I can see now just how to be
There's no pain and no taxes
Oh it would seem, oh it would seem

Six, Five Thousand call me there, call me there
Six, Five Thousand in the air, oh in the air
Six (six) Five (five) Thousand
I said why, I said why
Six (six) Five (five) Thousand
In the sky, in the sky
