

At Home Now

Born Ruffians

I can't wait, walking faster than regular
On my way.
Get to feel that way, walking through the door
Through that smell
Safe & sound.

I got what I need at my home.

I can't wait.
I don't dilly dally.
On my way.
It's raining now, soaking me to the bone.
I don't mind.

Cuz I've got what I need at my home.
& I get more ideas at my home.
