

Forget Me

Born Ruffians

Someday
A white light
Will come for you
To comfort you

Well I'll put
My shades on
To shield my eyes
Yeah, that's what I'll do

And I'll face the light with you

Someday, you'll get, older
I'll be right behind you
New days, hard to, shoulder
I'll be right behind you

Wait, for me, ohh
'Cause I'll be right behind you
Wait, and see, ohh
You know that I will find you

Someday
You may
Forget me
Well that's okay with me

Yeah, that's ok
I'll see that you may
Cry a tear for me
Cry two or three
And you'll face the light with me

Someday, you'll get, older
I'll be right behind you
New days, hard to, shoulder
I'll be right behind you

Wait for me, ohh
'Cause I'll be right behind you
Wait and see, ohh
You know that I will find you

You had
That feeling
For a while now
For a while now

You had
That feeling
For a while now
Let it slide now

Yay

Someday, you'll get, older

I'll be right behind you
New days, hard to, shoulder
I'll be right behind you

Wait for me, ohh
'Cause I'll be right behind you
Wait and see, ohh
You know that I will find you
