

# Stuck in the Mud

Boston Manor

I saw you crying on the train today  
I didn't know what to do, I didn't know what to say  
Just keep it in, just keep it safe  
Don't tell them how you're feeling, they'll look the other way

Now I'm stuck in the mud and I don't know what to do  
I've got that sinking feeling, I'm calling out to you  
And I'm getting older, and I know that you are too  
But we could live forever just show me what to do

I missed my mother on the train today  
I wish that I could call her, make it go away  
Now I'm 20 something, it's not ok  
Be a brave soldier and find your own way

Now I'm stuck in the mud and I don't know what to do  
I've got that sinking feeling, I'm calling out to you  
And I'm getting older, and I know that you are too  
But we could live forever just show me what to do

You saw me crying on the train today  
You didn't know what to do, you didn't know what to say  
Don't kill my fire, don't kill my graze  
Just tell me everything, is gonna be ok

I'm lost in the dark  
I can't find the way  
I'm lost in the dark  
I can't find

Now I'm stuck in the mud and I don't know what to do  
I've got that sinking feeling, I'm calling out to you  
And I'm getting older, and I know that you are too  
But we could live forever just show me what to do

Now I'm stuck in the mud and I don't know what to do  
(I missed my mother on the train today)  
I've got that sinking feeling, I'm calling out to you  
(I wish that I could call her, make it go away)  
And I'm getting older, and I know that you are too  
(Don't kill my fire, don't kill my graze)  
But we could live forever just show me what to do  
(Just tell me everything, is gonna be ok)

Now I'm stuck in the mud and I don't know what to do  
I've got that sinking feeling, I'm calling out to you  
And I'm getting older, and I know that you are too  
But we could live forever
