1. Four years you think for sure  
**F#mi**  
That's all you've got to endure

**G**  
All the total dicks  
All the stuck up chicks  
**D**  
So superficial, so immature

Then when you graduate  
You take a look around and you say HEY WAIT!  
This is the same as where I just came from  
I thought it was over  
Aw that's just great

- A** **D** **A**  
R: The whole damn world is just as obsessed  
**D** **A** **E** **A**  
With who's the best dressed and who's having sex,  
**A** **D** **A**  
Who's got the money, who gets the honeys,  
**D** **A** **E** **A**  
Who's kinda cute and who's just a mess

**D** **E**  
And you still don't have the right look  
**D** **E**  
And you don't have the right friends  
**D** **C#** **E**  
Nothing changes but the faces, the names, and the trends  
**A**  
High school never ends

**A** **D** **A**  
Oh oh, oh oh oh oh,  
**D** **A** **E** **A**  
oh oh oh oh, oh oh oh oh  
(2x)

2. Check out the popular kids  
You'll never guess what Jessica did  
How did Mary Kate lose all that weight  
And Katie had a baby so I guess Tom's straight  
And the only thing that matters  
Is climbing up that social ladder  
Still care about your hair and the car you drive  
Doesn't matter if you're sixteen or thirty-five

- E** **A**  
\*: Reese Witherspoon,  
**E** **A**

She's the prom queen  
Bill Gates, captain of the chess team  
Jack Black, the clown  
Brad Pitt, the quarterback

**D**

..I've seen it all before

**E**

I want my money back

R: The whole damn world is just as obsessed  
With who's the best dressed and who's having sex,  
Who's in the clubs and who's on the drugs,  
Who's throwing up before they digest  
And you still don't have the right look  
And you don't have the right friends  
And you're still listen to the same shit you did back then  
High school never ends

High school never ends

R: The whole damn world is just as obsessed  
With who's the best dressed and who's having sex,  
Who's got the money, who gets the honeys,  
Who's kinda cute and who's just a mess  
And I still don't have the right look  
And I still have the same three friends  
And I'm pretty much the same as I was back then  
High school never ends

High school never ends

High school never ends

Here we go again
