

Just Dumb

Boy & Bear

There's a night out and it laughs at me
This is what your comin' for is insane
But you can't possibly know me well
I'm the peoples panic today

Maybe I'm right
Maybe I'm wrong, or maybe I'm just dumb
Maybe I'm right
Maybe I'm wrong, or maybe I'm just dumb

I made a plan to get on livin' yeah
Took a chance to hold on tight
To the fantasy I'm given in
I guess I thought it would be alright

Cos there's a night out and it laughs at me
This is what your comin' for is insane
But you can't possibly know me well
I'm the peoples panic today

Maybe I'm right
Maybe I'm wrong, or maybe I'm just dumb
Maybe I'm right
Maybe I'm wrong, or maybe I'm just dumb
(maybe I'm right, maybe I'm wrong)
hang on [x3] cos I'm on my way
hang on cos [x3] I'll be on my way

Maybe I'm right
Maybe I'm wrong, or maybe I'm just dumb
Maybe I'm right now
Maybe I'm wrong, or maybe I'm just dumb
Maybe I'm right now
Maybe I'm wrong
