Boy George

You got, you got everything You know I'm not someone Who likes to wait around in line You know I'm not someone Who likes to waste a lot of time Love will find the answer In every little thing you do Love will find the answer And it's always gonna come to you If you just Keep me in mind 'Cause there may not be a second time Keep me in mind For the rest of your life Keep me in mind You know I'm not someone Who likes to use words like love You know I'm not someone Who likes to put myself above Keep me in mind 'Cause there may not be a second time Keep me in mind For the rest of your life Keep me in mind
