

Kipsy

Boy George

Kipsy
You're gonna get busted
If you know Kipsy
You're gonna get busted
There are voices on the street
Saying check it out
Find the duchess on Duchess street
Come on check it out
We got plans to make
we got people to meet
You wont find the Lord
Down on Duchess street
But people there
they know
where they're going
Will they get busted
Ain't no way of knowing
If you know Kipsy
You're gonna get busted
If you know Kipsy
There are voices on the street
Talking much too loud
If you're playing with the devils sister
Don't be too proud
