

# Learning to Fall

## Boys Like Girls

Today is the day,  
The worst day of my life.  
You're so content until it hurts me.  
I don't know why.  
The cost of misery is at an all-time high.  
I keep it hidden.  
Close to the surface, inside.

I'm learning to fall.  
I can't hardly breathe.  
When I'm going down don't worry 'bout me.  
Don't try this at home.  
Pretend you don't see.  
I don't wanna know that you know it should have been me.

Could you be with him?  
Or was it just a lie?  
He doesn't get you like I do.  
And you don't know why.  
You change your clothes and your hair,  
But I can't change your mind.  
Oh, I'm uninvited. So unrequited, now.

I'm learning to fall.  
I can't hardly breathe.  
When I'm going down don't worry 'bout me.  
Don't try this at home.  
Pretend you don't see.  
I don't wanna know that you know it should have been me.

Words screaming in my head.  
Why did you leave?  
And I can't stop dreaming.  
Watching you and him.  
When it should have been.  
It should have been me.

Today is the day,  
The worst day of my life.

I'm learning to fall.  
I can't hardly breathe.  
When I'm going down don't worry 'bout me.  
Don't try this at home.  
Pretend you don't see.  
I don't wanna know that you know it should have been me.

Whoa, whoa  
(I'm learning to fall, I can't hardly breathe)  
(I don't wanna know that you know, it should have been me)  
(Tell me that you know, it should have been me)

Whoa, whoa  
(Don't try this at home, pretend you don't see)  
I don't want to know that you know, it should've been me)

Whoa, whoa

(I'm learning to fall, I can't hardly breathe)  
(I don't wanna know that you know, it should have been me)  
(Tell me that you know, it should have been me)

Whoa, whoa  
(Don't try this at home, pretend you don't see)  
(I don't wanna know that you know, it should've been me)
