

# As Long As I'm With You

Boyz II Men

I don't know about you but I could use some?  
Your wired and so it's time to talk  
And you need some fun  
Now say you want, now say you want to go

Let's go down to Coco mode  
Drink our tales on the show  
Dance together nice and slow  
Cruse Margarita feel, falling love again we will  
Baby nothing else to do as long as I'm with you  
As long as I'm with you  
As long as I'm with you  
As long as I'm with you
