

## Doin' Just Fine

Boyz II Men

There was a time when I thought life was over and out  
When you went away from me  
My dying heart made it hard to breathe  
Would sit in my room  
Because I didn't want to have to go out  
And see you walking by  
One look and I'd break right down and cry  
Now you say that you've made a big mistake  
Never meant to take your love away  
But you can save your tired apologies  
'Cause it may seem hard to believe  
But

I'm doin' just fine  
Getting along very well  
Without you in my life  
I don't need you in my life  
I'm doin' just fine  
Time made me stronger  
You're no longer on my mind

You were my earth  
My number one priority  
I gave me love to only you  
Anything you'd ask of me  
I would do  
But somewhere down the road  
You felt a change in the weather  
And told me that you had to journey on  
A kiss in the wind and your love was gone  
Now you say you never meant to play your games  
Girl, don't you know it's far too late  
Because you let our love just fall apart  
You no longer have a heart

When you said goodbye  
I felt so all alone  
There were times at night I couldn't sleep  
My heart was much too weak to make it on my own  
Baby after all the misery  
And pain you put me through  
So unfair to me girl  
You're no longer my world  
And I ain't missin' you at all
