

# Four Seasons Of Loneliness

Boyz II Men

I long for the warmth of days gone by  
When you were mine  
But now those days are memories in time  
Life's empty, without you  
By my side  
My heart belongs to you  
No matter what I try

When I get the courage up to love somebody new  
It always falls apart 'cause they just can't compare to you  
Your love won't release me  
I'm bound under ball and chain  
Reminscing our love  
As I watch 4 seasons change

In comes the winter breeze  
That chills the air and drifts the snow  
And I imagine kissing you under the mistletoe  
When springtime makes it's way here  
Lilac blooms reminds me of  
The scent of your perfume  
When summer burns with heat  
I always get the hots for you (ooh)  
Go skinny dipping in the ocean where we used to do  
When autumn sheds the leaves  
The trees are bare, when you're not here  
It doesn't feel the same

Oooh  
Remember  
The nights when (remember the night)  
When we closed our eyes (when we closed our eyes)  
And vowed that you and I would be in love for all time

Everytime I think about these things I shared with you  
I break down and cry 'cause I get so emotional (I feel so emotional)  
Until you release me i'm bound under ball and chain  
Reminscing our love  
As I watch 4 seasons change

In comes the winter breeze  
That chills the air and drifts the snow  
And I imagine kissing you under the mistletoe  
When springtime makes it's way here  
Lilac blooms reminds me of  
The scent of your perfume  
When summer burns with heat  
I always get the hots for you (ooh)  
Go skinny dipping in the ocean where we used to do  
When autumn sheds the leaves  
The trees are bare, when you're not here  
It doesn't feel the same

Mmmmm  
This loneliness has crushed my heart (it's killing me baby)  
Please let me love again  
'Cause I need your love to comfort me and ease my pain

Or 4 seasons will bring  
The loneliness again

In comes the winter breeze  
That chills the air and drifts the snow  
And I imagine kissing you under the mistletoe  
When springtime makes it's way here  
Lilac blooms reminds me of  
The scent of your perfume  
When summer burns with heat  
I always get the hots for you (ooh)  
Go skinny dipping in the ocean where we used to do  
When autumn sheds the leaves  
the trees are bare, when you're not here  
It doesn't feel the same

Remember,  
The warmth of,  
Days gone by.
