

Got To Be There

Boyz II Men

Got to be there, got to be there in the morning
When she says hello to the world
I've got to be there, got to be there, bring her good times
Oh and show her that she's my girl, whoa

Oh, what a feeling there'll be
The moment I know she loves me
Cos when I look in her eyes, I realise
I need her sharing her world beside me

So I've got to be there, got to be there in the morning
And welcome her into my world
And show her that she's my girl
When she says hello world
Got to be there, got to be there
I need her sharing her world beside me

That's why I've got to be there, to be there where love begins
And that's everywhere she goes
And I've got to be there so she knows
That when she's with me, she's home, yeah

Got to be there, to be there
Got to be there, to be there
Got to be there, to be there
Got to be there, to be there
