Boyz II Men

So you're feelin' lonely Like love has gone away at night You're brokenhearted cause your man ain't never done you right You feel discouraged, feel like love ain't nothing but a lie Your broken heart is taking another teardrop from your eyes, I'm telling you

No woman don't cry Promise I will be by your side I want you to know that love is alive (Yes it is) And love don't want no woman to cry

I can hear you thunder I can feel the pain in your eyes I can smell the flowers that he never gave on Valentine's

Don't be discouraged cause he wasn't right I know your heart is broken But I promise you that you're the survivor I'm telling you

No woman don't cry Promise I will be by your side I want you to know that love is alive And love don't want no woman to cry

You gave him your love You gave him your soul You gave him your money You gave him a home Well all he ever gave you Was a broken heart Well girl I'm right here standing with love

No woman don't cry Promise I will be by your side I want you to know that love is alive And love don't want no woman to cry

Oh... no
