Lying beside you, here in the dark Feeling your heart beat with mine Softly you whisper, you're so sincere How could our love be so blind? We sailed on together, drifted apart And here you are by my side...

So now I come to you, with open arms
Nothing to hide, believe what I say
So here I am with open arms
Hoping you'll see what your love means to me
Open arms

Living without you, living alone
This empty house seems so cold
Wanting to hold you, wanting you near
How much I wanted you home
But not you've come back
Turned night into day, I need you to stay

So now I come to you with open arms
Nothing to hide, believe what I say
So here I am with open arms
Hoping you'll see what your love means to me
Open arms
