## Water Runs Dry

We don't even talk any more We don't even know what we argue about Don't even say 'I love you' no more 'Cause saying how we feel is no longer allowed Some people work things out And some just don't know how to change

Let's don't wait 'til the water runs dry We might watch our whole lives pass us by Let's not wait 'til the water runs dry We'll make the biggest mistake of our lives Don't do it baby

Now they can see the tears in our eyes But we deny the pain that lies deep in our hearts Well maybe that's pain we can't hide 'Cause everybody knows that we're both torn apart Why do we hurt each other? Why do we push love away?

Let's don't wait 'til the water runs dry We might watch our whole lives pass us by Let's not wait 'til the water runs dry We'll make the biggest mistake of our lives Don't do it baby

Some people will work things out And some just don't know how to change

Let's don't wait 'til the water runs dry We might watch our whole lives pass us by Let's not wait 'til the water runs dry We'll make the biggest mistake of our lives Don't do it baby
