

Hello My Lover

Boz Scaggs

Hello my lover wherever you are
I've been a fool my dear
A fool by far
But I've grown up in my mind
I've played the game of love and lost
And now I'm crying
Aha Aha oh yeah

If you come back my dear
There'll be some changes made
I will alter myself in every way
I'm gonna start a brand new policy
I'm gonna teach you a lesson in loveology
Hmmm hmmm mmm mmm oh yeah

Yes I will
Yes I will
You know I will

I'm gonna try my best do what is right
I'm gonna bewitch you my dear
Day and night
I'm gonna teach a brand new policy
I'm gonna teach you a lesson in loveology
Hmmm Hmmm oh yeah

Yes I will
Yes I will
You know I will

Yes I will
Yes I will
You know I will

Yes I will
Yes I will
You know I will
