

Love On A Two Way Street

Boz Scaggs

I found love on a two way street,
and lost it on a lonely highway
Love on a two way street,
lost it on a lonely highway

True love will never die,
so I've been told, but now I must cry
And it's finally goodbye, I know

With music softly playing,
her lips were gently saying "I love you"
She held me in desperation,
I thought it was a revelation, then she walked out

How could I be so blind,
to give my love for the very first time
To be fooled is a hurting thing,
to be loved and fooled is a crying shame
While I bear the blame,
as she laughs my name

With music softly playing,
her lips were gently saying "Honey, I love you."
She held me in desperation,
I thought it was a revelation, then she walked out

I found love on a two way street,
and lost it on a lonely highway
Love on a two way street,
lost it on a lonely highway
Love on a two way street,
I lost it on a lonely highway
Love on a two way street...
