

Warren's Song, Pt. 2

Bracket

I don't want you to know that I'm alone
Rather be at school well, then at home
If I had a friend I would have known

This is something that you don't understand
What it's like to be under someone's hand
I never like the boy inside the man

I can't forget the memories
Of how things used to be
Now stop and take a look at me

I can't go
I can't let go and forget
I can't let go (2x)

I want you all to know that I'm alive
Couldn't make me quit or take a dive
All I need is just another life

I can't forget the memories
Of how things used to be
Now stop and take a look at me

I can't go
I can't let go and forget
I can't let go (2x)

I can't forget the memories
Of how things used to be
Now stop and take a look at me

I can't go
I can't let go and forget
I can't let go (2x)
