

## Vest Of Interest

Braid

i'm dressed in peppermint  
and i'm ready to twist  
red white and blue paper mache  
and an interesting vest

you gotta dance the best  
two drinks and i'll forget the rest

i'm dressed in classy gasoline  
i think i need a lighter  
you seem to be my perfect match, eh?  
i can't remember the pass i test

you gotta swing the best  
two drinks and i'll forget the rest

you can't buy your time back  
you've got a vest of interest on you
