

# Crossfire

Brandon Flowers

There's a still in the street outside your window  
You're keepin' secrets on your pillow  
Let me inside, no cause for alarm  
I promise tonight not to do no harm  
I promise you baby, I won't do you no harm

And we're caught up in the crossfire  
Of heaven and hell  
And were searching for shelter  
Lay your body down

Watching you dress as you turn down the light  
I forget all about the storm outside  
Dark clouds roll their way over town  
Heartache and pain came pouring down  
Like hail, sleet and rain, yeah  
They're handing it out

And we're caught up in the crossfire  
Of heaven and hell  
And were searching for shelter  
Lay your body down

Tell the devil that he can go back from where he came  
His fiery arrows drew their bead in vain.  
And when the hardest part is over we'll be here  
And our dreams will break the boundaries of our fear  
Boundaries of our fear

Lay your body down  
Lay your body down  
Lay your body down  
Lay your body down  
Lay your body down  
Lay your body down
