

Jilted Lovers & Broken Hearts

Brandon Flowers

Hah. Hah. Hah. Hah. Hah Hah.
Is there anyone out there?
Somewhere I can belong
Man the city just stayed so kind tonight

I need a place to take refuge
See I been loving you blind
And I guess that made it hard for me to find

Now we were caught up in the middle of a worn out dream
I knew we were in trouble but baby I almost screamed
when I saw you dancing
On the moon now
I watched him spin you round and round
Why did you roll your dice? And show your cards?
Jilted lovers and broken hearts
You're flying away, while I'm stuck here on the ground

Is there anyone out there?
Somewhere I can belong
Man the city just stayed so kind, tonight

And if I had my suspicions
I kept them out of my heart
Just wished I would of known right from the start

That you'd be speaking in riddles and you're never coming back
You know I know we were in trouble but honey I almost cried
when I saw you dancing
On the moon now
I watched him spin you round and round
Why did you roll your dice? And show your cards?
Jilted lovers and broken hearts
You're out on the wind and I'm still waiting to be found.

You did a fine job of hiding
That crooked ace up your sleeve
You doubled down my direction
You kiss me on the cheek and leave
I followed you through the darkness
I followed you through the cold
Woman I will tell you one thing
You're gonna wish you could go back and fold

Why did you roll your dice? And show your cards?
Jilted lovers and broken hearts
You're flying away, while I'm stuck here on the ground

Why did you roll your dice? And show your cards?
Jilted lovers and broken hearts
You're out on the wind and I'm still waiting to be found.

Out in the wind
Only time can tell
You got something to remember I will
...
That's the bottom line

Jilted lovers and broken hearts
