Goodnight Sweet Prince

Brandtson

Uh oh, we're used to the night,
Now we can see in the dark.
Oh no.
(3x)

Don't worry about the loop,
It's always in control,
Don't worry about the role,
It's never all your fault.
Don't listen to the sound,
It's telling you to move.
Don't listen to the sound,
It's asking you to lose.

It won't be long before you see yourself.
It won't be long before you see the truth.
It won't be long before you see yourself.
It won't be long before you find the new.

Uh oh, we're used to the night,
Now we can see in the dark.
Oh no.

Don't think about the line,
It's never letting go.
Don't think about the line,
It's only what you know.
Don't let it be the end,
It's only just begun.
Don't let it be the end,
It's over when you're done.

It won't be long before you see yourself.
It won't be long before you see the truth.
It won't be long before you see yourself.

Uh oh, we're used to the night,
Now we can see in the dark.
Oh no.
