

Sic Transit Gloria (glory Fades)

Brandtson

You spend all your time
Away from home
You spend all your money
Too bad it's all gone

You spent all your friends
And now they're done
You burned all your bridges
Too bad they're all gone

You're well on your way
So don't mind me
Forget all the others
They just don't see

You've got everything you need
To make it on your own
So pour out your insides
It won't be that long

Wishing you the best of luck
In everything you do
Wishing you the best of luck
Now hoping that you're finding everything you're looking for

I'm wishing you the best of luck
I hope you make it 'cause it's so important to you
