

Turn it up  
Turn it up  
Turn it up  
You're killing me  
Just shut up  
Just shut up  
Just shut up  
You're killing me

See your face all over town  
Pick me up and throw me down  
You're my punk rock dream come true  
I would die to stay with you  
Fuck me silent black and blue  
You're my punk rock dream come true

Should I leave?  
Should I leave?  
Should I leave?  
You're killing me  
What do you mean?  
What do you mean?  
What do you mean?  
You're killing me

Stop it! Stop it! Stop it!  
You're killing me!

You're so much of what I need  
Force it down and me make me bleed  
You're my punk rock dream come true  
I would die to stay with you  
Fuck me silent black and blue  
You're my punk rock dream come true
