

**1963**

**Brazzaville**

Summer's been delayed  
But I don't want to think about it  
In the shade of a Guar Gum tree  
1963  
Devils by the lake were spotted  
1963

Way across the pond  
European trade commissions  
Selling jasmine in Istanbul  
Suicides and freak conditions  
Candles by the lake were burning
