

1980

Brazzaville

Long drives  
Over the veldt  
Head full of songs  
Boxcars  
Old European  
Occupied zones

Grey day  
Welfare hotel  
Lost in the stars  
With her  
All of my fears  
Melt in the dawn

Milk tea  
Under the midnight sun  
Not sure  
Why we were ever born

Storm clouds  
In the afternoon  
Lonely  
In my hotel room

Late June  
Lost latitudes  
The transistor hums  
Street cars  
Indigo blue  
Roll through the slums

Milk tea... etc.

Storm clouds... etc.
