

Aquamarine

Brazzaville

Aquamarine
Came from a town near Beijing
Sometimes in spring
The fruit trees smelled like ice cream

Aqua
Tell me that life is just a dream
Aqua
And our suffering don't mean anything
Aqua
Show me that things aren't what they seem
Aquamarine

Aquamarine
A Chinese waitress supreme
Her thoughts are clean
And all her movements serene

Aqua....

Aquamarine
What are you doing here in Spain
You crossed the sea
So tell me,
What does it mean?
