

Dream Sea

Brazzaville

Baby, lay with me
In the dream sea
Starlight flowing from
The Pleiades

Stay forever, my dear
Things aren't the same
Without you 'round here

All sins are washed away
In the dream sea
Soft winds blow us towards
Our destiny

Stay forever, my dear

Things aren't the same
Without you 'round here

All sins are washed away
In the dream sea
Soft winds blow us towards
Our destiny

Stay forever, my dear
Things aren't the same
Without you 'round here
