

## Late Night Lullaby

Brazzaville

Lay me down  
Milo brown  
Fast asleep  
Like a little  
Cherub bean  
Like a little  
Cherub bean

I've traveled far  
And I've traveled wide  
And I've seen some things  
That I'd rather leave behind  
That I'd rather leave behind

Lay me down  
Milo Brown  
Sweetest thing  
That has ever come around  
That has ever come around
