

## Old Folks

Brazzaville

So far away, so like a dream  
A cup of tea with powdered cream  
Or comet dust and subway steam  
Or 3 kilos of mangosteen  
Ayaaaah ayaaaah mangosteen

An airport lounge in Amsterdam  
A summer rainfall in Japan  
Your cowboy hat, your lovely tan  
With you I'm such a happy man  
Ayaaaah Ayaaaah, a happy man

I hope one day I'm old with you  
We're holding hands like old folks do  
With knobby knees and funny shoes  
Yeah, that's the future I would choose  
Ayaaaah Ayaaaah I would choose
