

# Be Mine Tonight

Breakbot

Be mine tonight  
Be mine tonight  
Be mine tonight  
Be mine tonight

Be mine tonight  
Be mine tonight  
Be mine tonight  
Be mine tonight

Be mine  
I listen to the sound  
It's hard in the streets  
Can you feel my heartbeat?  
Be mine  
I'm waitin' for your sign  
Let's dance to the beat  
Can't believe you're so sweet

Be mine tonight  
Be mine tonight  
Be mine tonight  
Be mine tonight

Would you be mine?  
I listen to the sound  
It's hard in the streets  
Can you feel my heartbeat?  
Be mine, I'm waitin' for your sign  
Let's dance to the beat  
Can't believe you're so sweet  
Would you be mine?  
You make my world go round  
It's hard in the streets  
Can you hear the music?  
Be mine  
You turn me upside down  
Let's dance to the beat  
Can't believe you're so sweet

I'll make a wish on a star  
Wondering where you are  
I'm lost without you  
Make my dream come true

Be mine  
I listen to the sound  
It's hard in the streets  
Can you feel my heartbeat?  
Be mine  
I'm waitin' for your sign  
Let's dance to the beat  
Can't believe you're so sweet  
Would you be mine?  
You make my world go round  
It's hard in the streets  
Can you hear the music?

Be mine, you turn me upside down  
Let's dance to the beat  
Can't believe you're so sweet
