

Make You Mine

Breakbot

Tonight
Has just begun
Come on
Lets have some fun
Girl
I like the way you dance
Tonight
Just give me a chance

Don't wanna be without you baby
Just wanna feel your arms around me
I wanna see you going crazy
I just wanna feel your sexy body

Your eyes
Shine like the stars above
Alright
It's time for love
Girl, girl
Please let me be the one
Tonight
I want to make you mine

Don't wanna be without you baby
Just wanna feel your arms around me
I wanna see you going crazy
I just wanna feel your sexy body

Don't wanna be without you baby
Just wanna feel your arms around me
Don't wanna be without you baby
Just wanna feel your arms around me

Don't wanna be without you baby
Just wanna feel your arms around me
I wanna see you going crazy
I just wanna feel your sexy body
