

If Only For One Night

Brenda Russell

Let me hold you tight
If only for one night
Let me keep you near
To ease away your fears
It would be so nice
If only for one night

I won't tell a soul
No one has to know
If you want to be totally discreet
I'll be at your side
If only for one night
If only for one night

Your eyes say things I never hear from you
My knees are shakin' too
But I'm willin', willin' to go through
I must be crazy standin' in this place
But I'm feeling no disgrace for asking

Let me hold you tight
If only for one night

Let me keep you near
To ease away your fears
It would be so nice
If only for one night
If only for one night

Let me take you home
To keep you safe and warm
Till the early dawn
Warms up to the sun
It would be so nice
If only for one night
If only for one night

I don't want to
I don't want to know about tomorrow, oh no
I just want to be with you today
I don't want to know
I just want to be with you today
I don't want to know
I just want to be with you today
