

So Good, So Right

Brenda Russell

We're on the shores of nowhere
looking out to sea
I turn and kiss your face
And you laugh at me, you laugh at me
How do I feel when I feel like rain
Feel like saying
It feels so good so right
to be with tonight

So good, so right to be with you tonight
So good, so right to be with you tonight

There is no space between the ocean, you and me
Exchanging life force as we live and breath
Together we'll be
How do I feel when I feel like saying
It feels so good so right
to be with tonight

So good, so right to be with you tonight
So good, so right to be with you

You make me feel so young
The way we laugh and play
Like a child in the sun
love is the way
How do I feel when i feel like rain
Feel like saying
It feels so good so right to be with you

So good, so right to be with you tonight
So good, so right to be with you tonight
So good, so right to be with you tonight
So good, so right to be with you tonight
So good, so right, hey babe
So good, so right, you know I've been so good
So good, so right to be with you tonight
So good, so right to be with you tonight
So good, so right to be with you tonight
