

Walkin' in New York

Brenda Russell

You don't skip a beat when you're hittin' the street
(Walkin' in New York)
There's a kind of heart you became a part of
(Walkin' in New York)
Doo doo doo doot ee-ya-ee-yeh-oh
(Walkin' in New York)
Me 'n my friend just walkin' and talkin'
(Walkin' in New York)

There are times that will always stay
Somewhere in your thoughts
One of mine will always be
Walkin' in New York

All you need is one good friend
And some time to spare
Stoppin' for coffee in some cafe
Life without a care

You don't skip a beat when you're hittin' the street
(Walkin' in New York)
There's a kind of heart you became a part of
(Walkin' in New York)
Doo doo doo doot ee-ya-ee-yeh-oh
(Walkin' in New York)
Me 'n my friend just walkin' and talkin'
(Walkin' in New York)

Watchin' the day go by
There are no words to describe
Havin' the time of our lives

You don't skip a beat when you're hittin' the street
(Walkin' in New York)
There's a kind of heart you became a part of
(Walkin' in New York)
Doo doo doo doot ee ya-ee-yeh-oh
(Walkin' in New York)
Me 'n my friend just walkin' and talkin'
(Walkin' in New York)
