

# We Will Find A Way

Brenda Russell

Sun follows rain  
Strength follows pain  
Ohhh, We will find a way

There is a plan  
Peace follows understanding  
Ohhh, We will find a way

And in the long run  
all things happen for a reason  
though it's hard sometimes believin' what that means  
there's a long road, we will sail above these waters  
there are more than seven wonders to be seen

Here in your smile  
my heart can rest awhile  
and i know we will find a way

faith is the key  
that brought you here to me  
Ohhh, We will find a way

and in the long run  
all things happen for a reason  
though it's hard sometimes believin' what that means  
there's a long road, we will sail above these waters  
there are more than seven wonders to be seen (ohhh yeah)

Ohhh.....Ohhh.....

Sun follows rain  
time heals the pain  
Ohh We will be all right

there's a long road  
all things happen for a reason  
though it's hard sometimes believin' what that means

faith is the key  
that brought you here to me  
ohhh we will find  
ohhh we will find  
ohhh we will find  
A way

though the darkness goes on forever  
we can light a candle together  
we will sail above these waters  
and sail above the seven wonders  
all things happen for a reason  
there's so much for us to believe in  
and as long as i'm still breathing  
ohhh we will find (ohhh we will find a way )

ohhh we will find  
a way... (yeah yeah)
