

## 3, 2, 1 (GO!)

Brennan Heart

I will come running but you got to let me run...  
All night running till we're gonna see the sun...  
My mind is thumping and it just begun...  
Bring the beat to the dance floor...  
On 3, 2, 1

I will come running but you got to let me run...  
All night running till we're gonna see the sun...  
My mind is thumping and it just begun...  
Bring the beat to the dance floor...  
On 3, 2, 1

I just wanna rave till euphoria's done...  
E is for impossible for me to shun...  
When my mind feels heavy like it weighs a ton...  
Gonna feel like a feather on  
3, 2, 1
