

Fire In the Sky

Brennan Heart

It's just one day, nothing more than passing time
Just one day, suddenly I see the signs
My time, it'll come with a warning (with a warning)
The moment calls for change
It starts with fire in the sky, I feel you surrounding me
Fire in the sky, hear my heart playing symphonies
For clouds enraged and the sky ablaze
Worlds collide and my heart's in flames
Fire in the sky, a fire in the sky

Fire in the sky, I feel you surrounded me
Fire in the sky

Through the storms that never end
Heaven burns on your descend
Lightning strikes upon the day that ends (day that ends)
We're fire in the sky
Fire in the sky

We're fire in the sky
Fire in the sky
