

# You Surround Me

Brian Doerksen

You surround me  
You indwell me  
You're beside me  
Ever present always near  
You're the whisper  
Calling my name gently  
Love eternal  
Reaching to me jealous for me

I will stay with You forever  
Arm in arm we'll walk together  
You will never let me go  
I can't live my life without You  
My whole will to live is for You  
You've awakened me to know

I can't live my life without You  
I can't live my life without You  
I can't live my life without You
