

# Just Another Day

Brian Eno

Oh, it's just another day  
It's just another day on earth

Oh, it's just another day  
Just another day  
It's just another day on earth

Oh, it's just another day on earth  
It's just another day on earth

One day, we will put it all behind  
We'll say that was just another time  
We'll say that was just another day on earth

We'll say that was just another time  
One day, we will put it all behind  
We'll say that was just another day on earth

Just another day  
It's just another day  
Oh, it's just another day on earth  
It's just another day on earth
