

# Find Myself In You

Brian McKnight

I was so lonely though there was so many symbols waiting  
I'm so glad that this ain't that  
You're the only reason I can make it through the long long day,  
and that's a fact

Baby, I can't wait to get next to you, oh I can't wait to wrap  
my arms around your body  
Baby I can't help but tell the truth  
Oh it's so hard to wait till no one else is around  
Gonna try to keep myself together  
Gonna find myself in you  
Baby no no  
Before they take you back to heaven  
Gonna find myself in you, no no  
I hate to keep waiting  
But there are some things that need my attention before I can get  
back to you  
Anticipating my hands all over you baby, you know  
I know just work to do

And baby I can't wait to get next to you, oh I can't wait to wrap  
my arms around your body  
Baby I can't help but tell the truth  
Oh it's so hard to wait till no one else is around  
Gonna try to keep myself together  
Gonna find myself in you  
Baby no no  
Before they take you back to heaven  
Gonna find myself in you, no no, no no baby

The only place I want to be is right here with you  
Loving you down and you  
You can take what you want from me  
No else'll let me  
Have you around  
I'm gonna try to keep myself together  
Till I find myself in you  
Baby  
Before they take you back to heaven  
Gonna find myself in you, oh baby  
I'm gonna try to keep myself together  
Till I find myself in you  
Oh, baby, baby  
Before they take you back to heaven  
Gonna find myself in you  
Listen, listen
