

# Shall We Begin

Brian McKnight

I remeber the day when  
we first met  
We both got caught in  
the rain  
And we were soaking wet  
I looked in your eyes  
You gave me a smile  
You told me your name  
You told me about  
your career  
I told you about my hopes,  
my dreams, my fears  
We had some laughs  
One month has past  
Tonight can't you stay

Now that  
The time is feeling just right  
Candles burnin' turnin' out  
the lights  
Anticipate the feelin' of  
your skin  
Shall we begin  
Hit repeat and let the  
music play  
Until the night turns  
into day  
Open-up your heart and let  
me in  
Shall we begin

Over time  
We've gotten closer  
than close  
You're the one  
I wanna be with the most  
Neither one of us was in  
a rush  
Agreeing to wait  
Now I feel my patience  
running thin  
Anticipating when you tell  
me when  
the time is now  
Tell me you'll stay

We're gonna take our time  
Don't hesitate to  
come inside  
Relax your mind  
Everything is alright  
The candlelight and you  
Just pour the wine  
We're gonna take it  
nice and slow  
auto pilot  
Steady as we go

Not in a hurry, no  
Till I hear you say  
That you're glad  
you stayed
